About Me

I'm Ananya, a visual communication student at UID currently in semester 4. I like to design aesthetically pleasing designs and my main strengths are social media design and marketing, video editing and graphic design.

Experience

Pehchaan The Street School (Feb - July 2024)

Social Media Marketing Intern

As social media marketing intern I created content and boosted the performance of their social media content, creating awareness for a non profit based off child education.

Tamada Media Pvt. Ltd. (May - June 2024)

Digital Marketing Intern

Created social media Grids, boosted social media content, rebranded social media accounts, created social media content, edited videos, managed social media accounts for better digital outreach.

Transform Digital Studios (Oct - Dec 2024)

Graphic Design Intern

Created social media posts, boosted social media content, rebranded company profile, edited videos, managed social media accounts for better digital outreach, marketing for events.
